

Dear Ms Ramsden,

I'm emailing you in response to the letter recently sent by you on behalf of Aberdeenshire UNISON, in which you pose a series of questions. I would refer you to the SNP Council Manifesto www.movingaberdeenshireforward.info which I and my SNP councillor colleagues refer to in our dealings on matters pertaining to Aberdeenshire Council. The SNP have the welfare and wellbeing of all Aberdeenshire Council staff at heart.
