

Dear Kate,

I am happy to respond as follows to your letter dated 18th April 2012:

The SNP Council Group Manifesto really addresses all of the question which you ask and I refer you and your members to that document.

<http://movingaberdeenshireforward.info/>

The SNP is opposed to privatization of council services and would support the living wage.

I do hope you find this helpful.

Cryle Shand
SNP Candidate
