

Hi Kate

Further to your letter of 18 April to Aberdeenshire candidates, I'd refer you to our Aberdeenshire manifesto which can be accessed at:

<http://movingaberdeenshireforward.info/>

and the national one, should be accessible through:

<http://www.snp.org/media-centre/news/2010/apr/salmond-launches-snp-manifesto>

I think these answer most of the queries you raise, and I am sure you will have noted our position on the Living Wage, and no compulsory redundancies.

Regards

Bryan Stuart
