Education & Skills Committee

The Scottish Government is consulting on ideas to reform education to help close the attainment gap.

The Education and Skills Committee is looking at whether these reforms are a good idea and want to hear from you.

Are you a young person, parent or do you work at a school? Come along and tell us your views. We want to hear what:

- you think of the ideas, including how they would impact on local schools
- other changes you would make; and
- support your school needs if it is to make these changes

Come along to our informal discussions with our members. Drinks and snacks will be provided.

We look forward to meeting you then. Your views matter.

Monday 29 January, 18:30 - 19:30
Rescue Hall,
