

## URGENT - CORNERSTONE PAY UPDATE!

As you will know, UNISON has been in talks with Cornerstone regarding your pay claim. Due to Cornerstone's failure to make a formal offer to our members and that this is now the end of August when your pay rise was due on 1<sup>st</sup> April, UNISON is lodging a full campaign to secure the pay rise that you deserve – and we need you to be involved!

We are calling a series of members meetings where we will update you all fully and discuss our plans for taking our campaign forward. Meetings are for members only but non-members can join on the door if they so wish. The meetings are:-

If you are unable to make these meetings, we would be willing to organise extra meetings for groups of 15 or more members, just get in touch and let us know.

All options are on the table for our campaign, and we want to hear your ideas too – so whether you want a postcard campaign to board members or a public demonstration at Cornerstone HQ, we will work with our members to deliver the best possible campaign that we can.

## Help us Fight for the Pay Rise you DESERVE

Our members have told us that pay is a huge issue; the Cornerstone staff survey tells us that pay is a huge issue; other providers are paying £9.00 to £9.50 per hour for frontline care workers....Cornerstone have to step up and pay our members what they are worth across the organisation.

Cornerstone rightfully praise their staff for the fantastic service they deliver but UNISON says that press releases and kind words don't put food on your table. So come on Cornerstone – Don't just say it...Pay it.

So come along to the meetings to find out how you can help us get your pay rise – the organisation must have money, they have already:-

- Increased the Chief Executives salary year on year
- Increased staff numbers in the Leadership Team
- Raised salaries for Business Leaders and Coaches
- Introduced new roles without consultation

All of the above costs money and UNISON asks that Cornerstone shows the same determination to increase your salary too.
